Bonnie Heile President / CEO

Roll'n Rock Construction Inc.

Roll 'N Rock Construction Inc.

TERMS AND CONDITIONS

Acknowledgement & Agreement: By appointing or listing Roll 'N Rock Construction Inc. as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated within the quoted prices and in the descriptions provided below.

Unless otherwise agreed to in writing, prior to the time of bid acceptance, no items shall be amended or excluded from this subcontract.

Roll 'N Rock Construction Inc. requires this executed subcontract agreement prior to the start of any work and requires at least 10 calendar days advance notice for mobilization of PCMS, arrow boards, light towers, attenuator trucks, flaggers, pilot cars, etc.

If less than 3 consecutive shifts are performed, an additional \$500.00 will apply, per occurrence.

Roll 'N Rock Construction Inc. is Union, signatory to the Laborers Traffic Control/Highway Improvement Agreement of Northern California. Roll 'N Rock Construction Inc. is bound to the terms and conditions set forth by the Northern California District Council of Laborers of the Laborers International Union of North America.

Quoted rates do not include .5 (half) hour lunch required if not relieved by the Prime Contractor.

Where applicable, add \$27.50 per day per person for subsistence.

Prime Contractor is responsible for furnishing flag persons with breaks. Prime Contractor agrees to provide up to 10 minutes per Roll 'N Rock Construction Inc. employee for relief break periods, as needed, due to weather and heat conditions to meet CAL/OSHA heat illness prevention requirements. If this condition cannot be met by the Prime Contractor, Roll 'N Rock Construction Inc. will hire an additional man at the Prime Contractor's expense.

Any shift where traffic control services are performed for less than 8 hours will be billed for the entire 8 hours and will not be prorated.

Cancellations made in less than 24 hours of the requested show up time will be charged at 50% of quoted rates, based on an 8 hour shift.

Equipment: Our pilot car and flaggers will be equipped with VHF and UHF 2-way radios and with CB radios for communication with your truckers and other CB-equipped equipment.

The Prime Contractor shall be responsible for any damage or loss to/of any equipment (PCMSs, Arrow Boards, Lighting Towers, Attenuator Trucks, Rumble Strips, etc.) due to traffic conflicts, vandalism, theft, acts of nature and/or mishandling by Prime Contractor's staff, this includes batteries. Prime Contractor is responsible for all lost, stolen, or damaged equipment on job site (includes all powered and non-powered equipment). A daily record of items used will be provided by Roll 'N Rock Construction Inc. for the Prime Contractor to sign off on. Additional signs required due to damage, theft, or plan inadequacies will be billed as extra work.

Fuel expense for an attenuator truck and light tower will be billed to the Prime Contractor at the rate of \$5.00 per gallon.

For safety of the public, contractors and employees of Roll 'N Rock Construction Inc., traffic control duties shall not be performed during hours of darkness without light towers. It is the responsibility and expense of the Prime Contractor to furnish light towers.

Insurance: Roll 'N Rock Construction Inc. maintains insurance coverages as required by USDOT-Caltrans (Commercial General Liability, Commercial Auto, and Worker's Compensation).

Payments: Roll 'N Rock Construction Inc. will bill weekly. Invoice is due and payable 30 days from the date of the invoice. Customer/Prime Contractor agrees to pay a finance charge of 1.5% per month on all past due balances. Customer/Prime Contractor further agrees to pay reasonable attorney's fees and cost if collection is required. Prime Contractor is to provide monthly progress payments for all completed work. Monthly payments must be received in full by Roll 'N Rock Construction Inc. to avoid finance charges and/or collection fees. There will be no retention held on Traffic Control.

Good Faith Conduct: If there are any issues or concerns regarding Roll 'N Rock Construction Inc. and its employees, products, or work performed, the Prime Contractor shall promptly notify and give Roll 'N Rock Construction Inc. first opportunity to correct such problems. We look forward to working with you and are committed to safety on the job and good faith in all aspects.

Should you have any questions regarding these terms, please contact us directly.

I hereby accept all terms and conditions of this proposal and that this proposal will be incorporated into all contract agreement

GENERAL CONDITIONS

Hillside Drilling's (HSD) bid is based on ONE move in for Ground Anchors and ONE move-in for Soldier Pile to the job with continuous operation until completion of subject move-ins; add \$15,000.00 to the contract for each additional move. Contractor will provide access for equipment described above with unobstructed access adjacent to all pile locations as required for drill rig, R.T. crane, concrete pump and concrete trucks with no overhead obstructions adjacent to holes as required for drill rig. Contractor to remove drill spoils concurrent with drilling as required to provide access for setting and pouring operations. Concrete pour crew may require additional work hours to complete pours. Contractor will provide a clean out area for drilling equipment and concrete pumps and trucks, Bid is based on day work Mon.-Fri. 8 hours per day. Contractor to provide three weeks minimum notice of start date. Contractor to provide area on site for storage of Hillside Drilling's equipment and materials. Changes in start date shall be made 72 hours in advance of given start date and may result in a delay to the rescheduled work. Hillside Drilling will be given one working day to verify grade, access, and layout before moving on to the site. Price based on groundwater being discharged at site into de-silting pit or basin provided by General Contractor 100' from work area.

If any man-made/man-placed materials are encountered such as bricks, concrete, rip rap, pee gravel, etc., the general contractor will provide Hillside Drilling with written authorization to proceed with the work utilizing any required special tools and equipment. A daily log of labor, equipment and material will be maintained and subsequently billed at the rate of \$425.00 per drill rig hour including two men, plus costs of materials, other equipment and labor, plus appropriate markups. All standby time due to delays by others will be billed at the same hourly rate. Standby rate for equipment left on site due to delays by others is \$1,200/day for the drill rig plus any additional equipment left on site. Back charges will only be accepted when properly documented and acknowledged on a daily basis by our authorized representative. Payments will be made with in 30 days of invoice. Retention will not exceed the percentage with held by the owner. Balance of retention will be paid in full within 35 days after completion of Hillside Drilling's work.

For shafts to be drilled deeper then soil borings indicate we have assumed that the materials to be drilled are similar to those indicated on the soil borings lowest depth explored adjacent to the drilled shaft. Conditions differing shall be considered a changed condition. Soil conditions or water table elevations that are different than those indicated in the soils report/borings shall be considered a differing site condition.

This quotation includes the following insurance coverage for HSD with the general contractor to be named as additional insured, Hillside Drilling shall only indemnify Owner and/or Prime Contractor for Hillside Drilling's proportionate fault or neglect.

- Worker's compensation & Employers Liability -\$1,000,000.00 each accident, \$1,000,000.00 disease policy limit & \$1,000,000.00 disease each employee (excludes rail road insurance).
- General Liability \$2,000,000.00
- Automobile Liability Coverage \$1,000,000.00.

This quotation is subject to acceptance within 30 days and the terms herein will be incorporated into any subsequent sub-contract agreement. In the event that legal counsel is retained to collect any sums due, HSD will be reimbursed for legal expense incurred. Should any dispute arise out of this Proposal/Agreement; the prevailing party shall be entitled to recover reasonable attorney's fees and cost.
